The crown jewel of your meeting.

The waterfront Tampa Convention Center added 18 new meeting rooms overlooking the sparkling Hillsborough River. Part of a \$38 million expansion, the rooms are the latest upgrade to the treasured venue. Plus, it's all just steps from modern hotels and the Water Street Tampa neighborhood, which blends sustainability and wellness into buildings and pedestrian spaces.

Savor new tastes.

Like a great meeting, good food brings people together while giving them plenty to talk about. And Tampa Bay's award-winning culinary scene does both, with a roster of celebrated restaurants that includes MICHELIN Star-winning innovators and more.

Bringing together the world-class Convention District.

The Tampa Riverwalk conveniently links the Tampa Convention Center and must-experience destinations like gems on a string. With 2.6 miles of scenic waterfront views, stroll or bike to celebrated museums, beautiful parks, award-winning restaurants and unique attractions.
